LOUISA, LAWRENCE COUNTY, KENTUCKY, NOVEMBER 10, 1911.

34,000 Majority

Democrats Make Old Time Sweep in Kentucky.

Republicans Will Have Only Twenty-Six Members in General Assembly. Only 11th District Republican.

Kentucky went Democratic last Tuesday by over 30,000 majority. Ten of the eleven Congressional districts gave Democratic majorities, and the 11th failed to do anything near what O'Rear and Langley were claiming.

Telegrams of congratulation from prominent men from all over the United States have been pouring in to Senator McCleary, one of the first being from William Jennings Bryan.

Louisville gave the Democratic ticket more than 5000 majority, a difference of about 14000 from four years ago.

The lower house of the Legislature is composed of about 26 Republicans and 74 Democrats. The Senate is also largely Democratic.

The Democrats of Mason and Lewis counties elected a Senator, for the first time in many years.

Montgomery county, O'Rear's home gave 450 majority for McCleary, this being about 50 percent more than the usual majority.

Boyd county gives O'Rear less than 100 majority. Dr. Wade, Democrat, carried it for Representative.

Later, Kirk was elected to the Senate for Johnson and Boyd counties by a greatly reduced majority.

D. Bond, Democrat, made a fine showing in that Republic and in the 11th. O'Rear carried Johnson and Kirk 276. Martin, valiantly also reported to have given Scott less than 300.

Hall, Black and Lawrence, Finn, Christian, and Railroad Commissioners, Herbe, Jacky, thus giving the Democrats a revoy of that body.

In Ky., Nov. 8.—The officers given out here today Thomas A. Coombs, Democrat, defeated for the State.

J. T. Tunia, Fusion-Republican, 116; D. C. Hunter, Democrat, 117. The list of the Fusion-Republicans, by a vote of 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

TWO OIL WELLS DRILLED IN.

The Guyan Oil Company drilled in a well about half a mile west of Bouserville last Friday and it is said to be a small producer. We have no definite information about it, however. We learn that the well is to be shot in a day or two.

The Hays Oil Company is drilling in a well today. The latest report from it is not encouraging. They were several feet in the Berea grit and had only a slight showing. The drilling will continue until they are through the Berea.

The Prince company well is down to the Berea formation and work has stopped temporarily.

THE MARGURITE SMITH CO.

Remember the splendid entertainment at Masonic Hall Friday night. The reserved seats sheet is now at Conley's store, and you will do well to call there early. Concert begins promptly at 7:30.

CLINCHFIELD RAILROAD

Extension to C. & O. Connection Seems Assured.

That there is something doing in connection with the long-projected extension northward of the Carolina, Clinchfield and Ohio Railway is evident. A late report from Frankfort announces the charter there of the Clinchfield Northern Railway of Kentucky, with capital stock of \$50000. The incorporators are all residents of Johnson City, Tenn.; at least, their addresses appear so at Frankfort. The name of J. C. Stone, treasurer of the Carolina, Clinchfield and Ohio, heads the list, with that of Isaac McQuillin, controller, second, the others being E. S. Bolen, H. G. Morrison and W. W. Belew.

The Carolina, Clinchfield & Ohio is now about 250 miles long from Dante, Va., via Johnson City to Spartanburg, S. C., and the approximately 41 miles between Dante, Va., and Elkhorn City, Ky., a terminus of the Chesapeake and Ohio Railway, is put down in the railroad guides as being "under construction," although little progress has lately been made upon it, according to reports from that part of the country. The road also has a branch of about 12 miles extending from St. Paul, Va., which is 7-12 miles south of Dante, to Hurricane.

It has been reported for some time that the Chesapeake and Ohio Railway and the Seaboard Air Line were after the Carolina, Clinchfield and Ohio, with a view to a purchase, the former for a southern outlet for its western lines and the latter for a connection of its own to large coal fields. Recent references to this prospective deal indicated that there was at present little prospect of an early consummation of it.

But now comes the announcement that M. J. Caples, who for several years has been vice-president, general manager and chief engineer of the Carolina, Clinchfield and Ohio, has resigned and has accepted the position of vice-president in charge of transportation on the Chesapeake and Ohio Railway, with headquarters at Richmond, Va. He takes up his new duties November first.

There was also the statement from Richmond that Major James H. Dooley and Frederick W. Scott the latter of Scott and Stringfellow, bankers, resigned from the board of directors of the Chesapeake and Ohio, but if Major Dooley's resignation was presented it must have been withdrawn, as a late dispatch

MASSACHUSETTS

And Ohio Democratic by Good Majority.

Cincinnati Elects Entire Democratic Ticket. Cleveland and Other Cities Set in Band Wagon.

Gov. Foss, Democrat, is re-elected in Massachusetts, but the remainder of the officers were retained by the Republicans.

In Ohio the Democrats won control in all the large cities except Dayton. Cincinnati elected Hunt for Mayor, with all minor officers and a large majority in the council, Democratic. The Cox gang was overwhelmed.

New Mexico elects its first set of officials, having only a few months ago become a State.

In New York the Democrats won in Greater New York City. The lower house of the Legislature is Republican.

Maryland elected the Republican ticket because of a big factional fight in Democratic ranks.

New Jersey also went Republican on account of a split in the Democratic party.

EFFECTS OF THE ELECTION.

Washington, D. C. Nov. 8.—In their bearing on 1911, the elections of yesterday according to experienced political judgment here, have demonstrated the following facts conclusively:

Republican chances west of the Alleghenies are minimized.

The fight is to be seated in the East with Massachusetts, New York, New Jersey, Pennsylvania and Maryland classed as exceedingly doubtful States.

Kentucky is removed from the doubtful class to the certainly Democratic class.

Ohio leans more toward the Democratic party than before.

In a word, every resource of the two parties from today forward will be cast along the Atlantic Coast and the five States shown yesterday to be in grave doubt for 1912 and without whose electoral vote no candidate can win, will bear the brunt of the battle.

HEALTH EXHIBIT.

Car Will be at Louisa on November 14th.

A modern Railroad passenger coach fitted up as a Traveling Health Exhibit by the Kentucky Association for the Study and Prevention of Tuberculosis, is now touring the State of Kentucky making stops at all railroad stations.

At each stopping place the public is invited to see the exhibit, free of charge, and hear practical talks about Consumption and other infectious diseases. The car is well stocked with novel Charts, Motives and Model Houses showing where the dangers from diseases lie and how they can be prevented, in a way that every man, woman and child can understand it.

The Exhibit is in charge of Mr. Eugene Kerner, Secretary of State Association and assistant. Mr. Kerner will deliver an illustrated lecture on "What Everybody Ought to Know About Consumption," at each stopping place.

Wherever shown, the Exhibit has attracted large crowds of people who were greatly benefited in getting a clear understanding of Kentucky's most fatal disease, The Great White Plague.

This car is billed to be at Louisa Tuesday, Nov. 14, but at this hour the News is without particulars. Dr. Bromley, the County Health Officer, has not been advised further than this notice. Our people should attend the exhibit.

DEATH OF MISS GOLDIE MOORE.

Miss Goldie Moore died of tuberculosis at Portsmouth last Saturday, Nov. 4th. She was a daughter of Z. H. Moore, formerly of this county. Her age was 18 years. The body was brought back to the old home at Ulysses for burial, accompanied by the surviving members of the family.

BOYS CORN CLUB.

Contest to be Decided on Saturday, December 2nd.

The earliest possible date for the exhibit and awarding of the prizes is the time and date now made, December 2nd at the Court House at 10 a. m.

The members of the Club are requested to be there promptly at that time, and have ten ears, their best ten ears, with them, as on the best ten ear exhibit the different premiums will be made. We found it impossible to visit all the plots of corn and make the awards on the acre plan and substituted the ten ear system. The drouth of the growing season interfered to a great extent with the corn crop, but that need not deter any boy of the Club from showing his corn. Boys, remember the date, December 2nd, at 10 o'clock a. m. at the Court House. Bring your corn, bring your father, your mother, your brothers and sisters with you and we will try and make the day pleasant and interesting to them. Let each member of the Club, who reads this takes pains to inform other boys of the date of the Corn Show. Below we give the prizes so far as arranged for at the present date, but hope to add others to the list:

First prize, best 10 ears, \$15.00.
Second prize, 2nd best, 10.00.
Third prize, 3rd best, 5.00.
Fourth prize, 4th best, 3.00.
Fifth prize 5th best, 2.50.
Sixth prize, 6th best, 2.00.
The next ten each, 1.00.

For the best written history of the crop, giving mode of cultivation, dating of planting, how planted, condition of soil when planted, dates of when rains came, and when the corn was ripe. In this contest penmanship, style of paper, neatness and the language used will be considered and no regard paid to the quality of corn shown by boys competing.

The judge or judges will in all probability be sent by the Department of Agriculture on from the Kentucky Experiment Station, and fairness shown to all.

This can be made of great benefit to the county, if the boys will all bring in their corn. Farmers are all invited to attend. Boys not members of the Club are all invited. Everybody is invited to attend, but it is the boys.

Members of the Club, John B. Johns, John Pfost, Jay Post, Clyde Barnett, Fred Gussler, Winfield Roberts, Carl Waller, Hubert Walker, Car Carter, John Burchett, John C. Kime, John Ash, Arnold Bowe, Oscar Vinson, Wm. Vashouse, Carl

Eakers, Wayne See, Walter Clayton, Good O'Brien, Fred See, Edgar Peters, Ted Billups, Dave Burke, Roy McKuster, Robert Maynard, T. T. Thompson, J. B. See, Michael See, John I. Roberts, Morris Skeens, Anderson Moore, Harry Curnutte, Michael Stansbury, Arlie See Tom Kise, Jay Thompson, Roy Thompson, Frank Thompson, Robert Carter, A. J. Murphy, Woods, son of Squire Woods.

Boys, get your corn ready, and don't fail to be on hand Saturday December 2nd, 1911.

THE CHURCHES.

Very few, unless they are Mohammedans or Mormons, could fail to find a service to suit them in Louisa last Sunday. The four churches were filled both morning and evening with attentive congregations. At the M. E. Church, South the pastor, Rev. J. W. Crites, discoursed concerning "Unquestioning Obedience" and "Christ's Gift of Himself." At the M. E. Church Dr. Hanford delivered at the evening service the second of a series on Night Scenes From the Bible.

At the Baptist Church Rev. Mr. Cree, of Louisville, filled the pulpit morning and evening. As the News understands it this minister is a prospective pastor of this church. He will preach again next Sunday. Mr. Cree is a gentleman of much culture.

The meeting which began at the Christian Church on Wednesday night last continues with increasing interest. Rev. R. W. Summers, of Soldier, Ky., began the services. He is a fine speaker. On Sunday evening Rev. Roud Shaw arrived and spoke that night to a large audience. The meetings will continue during the week, both ministers holding services. Mr. Shaw also conducts the singing, both the music and his sermons being well received.

REV. MURRAY AT CEREDO.

The special meetings in progress at the Baptist church are resulting in much good. Rev. Roscoe Murray, of Louisa, Ky., who has charge of the meetings, is a forceful speaker, and seems to wield a magnetic influence over his audience. He is an evangelist who knows of the sins of the world and never fails to tell his congregation of them.

Mr. Murray is a man who believes in calling an ace an ace, and a spade a spade. He batters down the doors of ignorance and vice with the sledge hammer of Gospel Truth, exhorting all sinners in general and the devil in particular.—Ceredo Advance.

A CHILD SHOT.

Accident that May Cost the Life of a Little Girl.

As the result of an accidental shooting near this city late on last Thursday afternoon a little girl is lying on a bed of suffering in the Louisa hospital. The injured child is a daughter of J. Hardwick who lives on Three Mile creek, not far from Walbridge. At the time of the accident a man named Ferguson an uncle of the child, was shooting at a target, with a 22-calibre rifle. One of the bullets must have gone very wide of the mark, for it struck the little girl, passing through the lower bowel and the bladder and lodging in the muscles of the abdomen. Judging from the point of entrance and the course of the ball the child must have been in a stooping posture when struck. Surgical aid was immediately summoned and Drs. York and Bromley went up on a hand car. Seeing the gravity of the case they had the child brought to the hospital at once, where they operated successfully for its relief. At present the little one, who is but two and a half years old, seems to be doing well. Mr. Ferguson feels much distressed over the unfortunate affair.

David Jordan, of this county, a veteran of the Civil War, died last week of chronic disease and the of old age.
